

AVLOCK INTERNATIONAL FASTENING SYSTEMS

ENGINEERED RIVETING,
SWAGING & AUTOMOTIVE FASTENING SYSTEMS

ENGINEERED RIVETING, LOCKBOLT FASTENING SYSTEMS AND TOOLING

COMPANY PROFILE

Avlock International is a leading manufacturer and distributor of specialised fastening systems to both the domestic market and other global destinations.

The company is 44% black owned and 56% owned by Management. The empowerment partner is Mahogany Private Equity.

Avlock International has four major divisions under which its customer base is categorised:

• Heavy Engineering

• Light Engineering (incorporating Automotive)

• Hardware

• Export

The company is presently ISO 9001 Quality Management Certified, as well as ISO 14001 & 45001 SHEQ Accredited.

Avlock International is authorised to use the C.E. mark on exports of equipment and tooling to Europe. Avlock exports its products to five countries in Europe and to Australia. It is also a significant exporter to both China and Russia. Avlock has its own company in India.

Avlock International has distribution centers in:

- Johannesburg
- Cape Town
- Durban
- Port Elizabeth
- Potchefstroom
- Witbank

Avlock is a first-tier supplier to Ford Motor Company, Toyota, MAN, VW and Bell Equipment Company.

Avlock operates two factories on its site in Boksburg where breakstem rivets and a range of larger diameter bolts, specialised fasteners and application tooling are manufactured. Avlock International has formed affiliations with influential principals throughout the world.
